My dear brother Mafuyu

by [MiaQc](#)

Summary

This fanfic takes place after the Canonical End of the first Fatal Frame game and way before Fatal Frame 5: Maiden of Black Water.

A short mental monologue by Miku who suffers without her dear older brother.

- A translation of [Mon chère frère Mafuyu](#) by [MiaQc](#)

Mafuyu. My dear brother. I know I have to go on living without you but my heart aches when I think of you.

I see you all the time. I hear your voice in my dreams. I once tried to take my own life to join you by drowning in my bath but I didn't go through with it.

Oh, Mafuyu, why did you stay with her? Kirie doesn't deserve you. I do. We were meant to be together forever.

You're my brother and you've raised me since Mother's suicide. I know I'm not supposed to fall in love with you because of our blood bond but I feel something. I feel so close to you. A powerful brotherly love. Mafuyu.

Mafuyu. When can I return to you? Kirie. It's all your fault. You stole Mafuyu from me!
